Melinda, Gary, Bill,

Are you available for a conference call tomorrow at 10am for the Navy to summarize the changes in the Revised Draft FOST 3? Since we just sent out the document on Friday, we are not expecting any comments on this call.

DTSC and Water Board are available.

Thanks,

Jim

Transmittal of the YBI FOST 3 - Revised Draft for Review

Team,

Marcie has forwarded the Revised Draft FOST 3 for YBI. Due to the two week review time, we would like to schedule a conference call on Tuesday November 22nd at 10am, to summarize the changes made from the September 2010 Draft FOST and provide our rationale. We are not expecting any preliminary comments on this call. (If 10am is not possible, we can look for another time that day.)

Understanding that it is Thanksgiving week, if we are unable to schedule a call for Tuesday 11/22, then we would like to schedule a call as early as possible during the week of the 28th. I would propose Monday 11/28 at 10am.

Let us know if you are not available on 11/22 at 10am or if you propose another time that same day, and if Monday 11/28 works as an alternate.

Thanks,  
Jim Sullivan

Subject: Transmittal of the YBI FOST 3 - Revised Draft for Review

Good Afternoon,

On behalf of the Navy, attached for your review is the Revised Draft YBI FOST 3, inclusive of the Navy's transmittal letter. The Navy is requesting comments by Friday, December 2, 2011.

An earlier version of this FOST document, submitted for review in September 2010, addressed parcels of NAVSTA TI property located on TI and YBI. TI property has been subsequently removed from this FOST to facilitate the transfer of YBI property that is necessary to support the schedules for redevelopment.

If you have any questions, please contact Jim Sullivan at (619) 532-0966.

Thank you.
